

PUBLIC NOTICE
August 4, 2006
CITY OF HARTFORD, CONNECTICUT
PROPOSED AMENDMENT I TO THE CITY'S YEAR TWO ANNUAL ACTION PLAN
PROGRAM YEAR 32
JULY 1, 2006 – JUNE 30, 2007

The City intends to amend its Program Year 32 Year Two Annual Action Plan as approved by the U.S. Department of Housing and Urban Development (HUD) for the following reasons:

1. The actual HOPWA (Housing Opportunities for Persons with AIDS) grant amount is \$1,108,000, which is \$100,000 less than the amount published in the City's original Public Notice. Therefore, the amount allocated for HOPWA program administration will be reduced to \$33,240, and the amount allocated for emergency needs will be reduced to \$21,835. There will be no modifications to the HOPWA program sub-recipients' allocations.
2. The Analysis of Impediments to Fair Housing Choice was inadvertently omitted from the Year 32 Annual Action Plan. A copy of the Analysis of Impediments is available for viewing at <http://www.hartford.gov/Development/grants-mgt> and in the Office of the Town and City Clerk, Municipal Building, 550 Main Street, First Floor, Hartford, CT.
3. Pursuant to a HUD Office of Inspector General audit of the City's CDBG program, the City is required to repay \$861,423 for ineligible CDBG (Community Development Block Grant) activities. The City intends to make the repayment in full from non-federal sources.
